

HOW TO INVOLVE YOUTH IN RURAL DEVELOPMENT

Aris Adlers- Latvian Rural Forum, board member

18.07.2012., Banja Luka

Rural Development for Young
people is boring!

You can't feed rural development
to young people

Active Rural Youth is already involved

The right statement is

How to involve Youth in national
and international processes

Encourage young people, that they have
right to stand nearby adults and talk

RD is modern: use Skype, Facebook, etc.

RD is fun

Use original methods

There is a new generation growing

Be one of the...

Make young people proud of
being involved

Make things interesting

Speak their language

Stay out

Let them to be together

Show, that adults can act like a
children

Let young people to be in front

Show, that their ideas can be realized

Ask for professional attitude

Do everything with

L O V E
