LEADER/RURAL DEVELOPMENT POST 2013
 Wednesday, 24 November 2010
ASIEM – 7, rue de Lapparent, 75 007 PARIS

CONTEXT AND OBJECTIVES

Leader France and APFP with the support of the Ministry of Agriculture, the French MA and the ASP, is organising for its members, a European Meeting Day on the theme of transnational cooperation and the future of the European policy on post 2013 rural development.

This event has a dual objective:

- Help French LAGs and Pays to set up transnational cooperation projects, support them in engineering in an original way by offering to put them in contact with the European partners of the non-governmental, Leader national networks grouped within the ELARD network.
- Compare the analyses and positions already existent in certain countries regarding post 2013 European rural policy and with the support of Leader and local and rural development specialists, open up a discussion on the future of European policy on rural development and create a common proposal that will be delivered to the European Commission.
